REFRACTION CHARGES

A REFRACTION is a diagnostic test used to determine the patient's best ability to see. A refraction is the specific measurements of the refractive state of the eye. A series of lenses are presented to determine which prescription provides the sharpest and clearest vision.

This is an essential part of most ophthalmologic evaluations. This test is performed during your annual eye exam or if there has been a decrease in your vision since your last visit.

This test is necessary to perform in order for your physician to determine the best visual acuity which is needed to evaluate for possible eye diseases.

Occasionally the refraction is used as the basic information for prescribing glasses or other optical devices. However often times the refraction does not lead to prescription for glasses.

SOME INSURANCE COMPANIES, INCLUDING MEDICARE, DO NOT COVER THE REFRACTION TEST.

The usual charge for this service is \$85.00. If my insurance does not cover this test, a time of service discount of 70% is offered. Therefore, if I pay today, my out of pocket expense is only \$25.00. If I am unable to pay today, my charge will be sent through the billing service and I will be billed.

OUR FINANCIAL POLICY

We are committed to providing you with the highest level of service and quality care. If you have medical insurance, we will strive to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and understanding of our financial policy. Ultimately, however, any and all financial liability rests with the patient.

Our office participates with most major insurance plans. We provide **MEDICAL and SURGICAL** ophthalmologic care to our patients, as opposed to **routine eye exams**. **If you have a managed care plan that requires a referral to see a specialist, you must obtain a referral in order for your visit in our office to be covered under your medical insurance.** If you do not have the valid referral and still wish to be seen, you will be asked to pay for the visit prior to your examination. **A refractive examination is not a covered service by most insurance companies, including Medicare. If a refraction is performed, you will be charged for this service.**

It is the patient's/parent's/guardian's responsibility to:

- Be familiar with the benefits of your plan, including co-pays, co-insurance and deductibles.
- Bring all of your current insurance cards to all visits.
- Provide our office with current information including address, phone numbers and employer.
- In accordance with your insurance contract, you must be prepared to pay your co-pay at each visit. If you do not make your co-payment at the time of the visit, you will be charged an additional **\$15.00 billing fee**. We accept cash, checks and all major credit cards for services.

On occasion the staff at HEA may help you in obtaining a referral however we are not responsible for this. If a referral is not obtained and cannot be obtained before the visit you will have the choice of rescheduling the visit or paying the full fee at the time of the visit.

We appreciate prompt payment in full for any outstanding balance. If you are unable to pay a balance in full, please notify our billing department immediately and we will try to work out a payment plan with you. If your account is turned over to our collection agency, you agree to pay any fees imposed by the collection agency in order to collect the overdue amount. Any check payments that do not clear the bank will be subject to a **\$35.00** returned check fee.

For all services rendered to minor/dependent patients, we will look to the adult accompanying the patient and/or the parent or guardian with whom the child resides for payment. In cases of separation or divorce, when presenting insurance cards for a dependent enrolled under a subscriber other than you, please be prepared to supply their name, address, phone number, date of birth and social security number. We request that you inform the subscriber that their insurance has been used.

I have read and understand the above financial policy.
